Mini Project Report on
<<Title>>

Submitted as the **Mini Project** for the subject
Machine Learning (BCS602)

Submitted by
<Name of the student>	**<USN>**
<Name of the student>	**<USN>**
<Name of the student>	**<USN>**
<Name of the student>	**<USN>**

For academic year 2024-25

Under the guidance of
Prof/Dr. <Name of the faculty in-charge>
<Designation>

Mini Project Guidelines (Report)

- Team of max 4 members.
- **Final Report submission (19th May 2025) (Minimum 8 pages)**
- Content must include the following details

  1. Introduction to neural networks and the project
  2. Problem statement with input and expected output
  3. Dataset description with a Snapshot of dataset
  4. Algorithms used and Methodology
  5. Results and Discussion

Formatting guidelines

  o Font: Times new roman
  o Font size:
    ▪ Headings: 14
    ▪ Text: 12
  o Header – Title on right
  o Footer - Department of CS&E, BIT, 2024-2025, on the LEFT, Page No. on the RIGHT.
